MEMORANDUM 01 OF 2012

RELEASE OF RESULTS OF REPORT 191 ENGINEERING SUBJECTS WHICH WERE UNDER INVESTIGATION – NOVEMBER 2011 EXAMINATIONS

Umalusi, the Council for Quality Assurance in General and Further Education and Training, placed an embargo on the release of results of the following six (6) Report 191 subjects pending the outcome of an investigation into the alleged leakages in these subjects during the conduct of the November 2011examinations:

- Electrical Trade Theory N2
- Electrotechnology N3
- Engineering Science N3
- Industrial Electronics N2
- Mathematics N3
- Mechanotechnology N3

The Department undertook the investigation and presented the findings to Umalusi on 29 January 2012. The Umalusi Council studied the report and approved the release of the results as follows:

1. ELECTRICAL TRADE THEORY N2

The results of all candidates at all centres offering Electrical Trade Theory N2 may be released, except for those who may have been involved in other types of irregularities that still require investigation.

2. ELECTROTECHNOLOGY N3

The results of candidates offering Electrotechnology N3 at the following three (3) centres have been declared null and void:

- Centre No. 4/0434, King Sabata Public FET College, Libode Campus;
- Centre No. 5/0509, Majuba FET College, Majuba Technology Centre; and
